

# COVID-19: Rules for Inpatient Visitors

## Who is allowed to visit a patient admitted to CHLA (inpatient)?

You may only visit an inpatient if all of the following are true:

- You are at least 12 years old
- You are not sick or have symptoms of illness

### What are the visiting hours?

- Visiting hours are from 9 a.m. to 9 p.m. daily
- Parents, legal guardians, and designated caregivers may visit 24 hours a day, 7 days a week.

### How many people can visit?

We continue to follow state laws about physical distancing at Children's Hospital Los Angeles. To support this, we still have restrictions on the number of visitors allowed.

- Only two people can visit with a patient at any time.  
*Example: 2 caregivers **OR** 1 caregiver and 1 other visitor **OR** 2 other visitors*
- Family gatherings are not allowed in any hospital common areas such as the cafeteria or the Healing Garden
